3.5" Power Saving HDD Enclosure

**GreenStar
ME-740PS-S**

ME740PS-S is a 3.5 inch power saving hdd case with built-in power management processor. There are 4 innovated power modes - **Active / Idle / Suspend / Power Down**.

According to the HDD's status, intelligently auto-switch to the related power mode to maintain the best efficiency of the HDD. Also, the free power management software can report and calculate the reference power saving energy value.

Based on these architectures, the external enclosure can look after your HDD well, less energy waste, and extension of HDD lifetime.

Specification:

Model Name	GreenStar
Model Number	ME-740PS-S
Color	Black
Material	Aluminum
Application	Any single 3.5" SATA hard drive
Interface	SATA to USB2.0
OS Supported	<ul style="list-style-type: none">● USB storage mode: Windows98SE/ME/2000/XP,Vista, MAC O.S 9.X above● Power Saving AP: Windows 2000, WinXP.Vista● OTB AP: Windows 98SE/ME/2000/XP/Vista
