

WELLAND

2.5" HDD External Enclosure

**SunBright
ME-940J**

Welland ME940J is the stylish external enclosures for SATA hard drives.

The HDD disk boxes are designed by heavy and first-class aluminum, not only protect the hard drive well, but also maintain the great heat dissipation by metal material. Also, the luminous front panel can be customized with any logos or tattoo images to brighten the marketing logos under cool light.

Furthermore, ME940J support One Touch Backup for quick data copy from PC to the drives.
