

WELLAND

SuperSpeed USB3.0 to SATA Adapter

**Turbo Leopard
SPU-300**

The Welland TURBO LEOPARD USB3.0 to SATA Adapter offers USB3.0 SuperSpeed transmission rate of up to 5Gbps. The computer is capable of reading and writing to the external drive at its maximum speed, but it is also backwards compatible with USB2.0/1.1 host of your computer. Suitable for 2.5"/ 3.5" hard drive device or 5.25" optical drive device, the SPU-300 features the quick access to your storage contents. It eliminates the hassle of opening your caddy, unscrewing and detaching the drives, practically no setup ! SPU-300 is a very novel storage device and it's decent for the enthusiast crowd.
